JOINS NATIONAL “WE SALUTE VETERANS” CAMPAIGN FROM VETERANAID.ORG

Dover, Delaware, May 24, 2017. – **Center for a Positive Humanity LLC**

is proud to announce their participation in the We Salute Veterans Campaign with VeteranAid.org, the leading resource for information on the veteran’s Aid and Attendance pension.

Supporters of the VeteranAid.org’s We Salute Veterans Campaign exemplify VeteranAid.org’s mission to educate and help veterans and their loved ones receive the benefits they deserve to help them pay for care.

VeteranAid.org offers detailed information on a veterans’ pension benefit called Aid and Attendance (A&A). If veterans require assisted living care in a community or at home, it gives them the information they need to apply for the A&A benefit themselves. VeteranAid.org tries to spread the word about the Aid and Attendance benefit and educate people looking for additional information to help them navigate their way through this difficult and overwhelming journey.

This campaign celebrates those businesses who support veterans in many ways. Whether they provide discounts for veterans, make regular donations to veteran organizations, or write informative content on their website to educate seniors and veterans.
